

2013 Projects

THE MITFORD POND PROJECT

This project was started by the LLKMF through the successful bid for The TSN Kraft Celebration community award in the summer of 2012. Through grants from the Cochrane Foundation and grants from various levels of government the foundation has started construction on improvements and additions to Mitford Park (home of The Kimmett Cup) including:

- Soft boards for pond hockey
- Replacement of the stage floor and installation of storage area
- Installation of speaker and lighting standards to the stage
- Renovation of concession kitchen
- Construction of a skate change/picnic pavilion on the south shore of the pond
- Upgrade of fire pit area
- Electrical system upgrades

The project is slated for completion in late fall 2013 and will be a great addition to the park for all of Cochrane and area to enjoy.

THE LINDSAY LEIGH KIMMETT MEMORIAL FOUNDATION ENDOWMENT FUND

This fund was established shortly after Lindsay's death by the Kimmett family, relatives, and friends. It funds annual valedictorian scholarships at all 3 Cochrane high schools, the Dr. Lindsay Kimmett Prize in Emergency Medicine at the University of Calgary School of Medicine and "Lindsay's Kids" hockey and ringette sponsorships for underprivileged children providing equipment and registration for 15-20 children each winter giving them the gift of team play. The endowment fund has also provided donations to Haiti relief, Right to Play, The Canadian Heart & Stroke Fund, and the Alberta Children's Hospital.

Lindsay Leigh Kimmett was an athlete, a learner, a leader and an aspiring doctor with all the skills and ambition to leave a big mark on the world.

Since her tragic passing on February 17, 2008, her family members and friends have banded together to continue her legacy through the Lindsay Leigh Kimmett Memorial Foundation.

To date, more than one million dollars has been invested into the community in Lindsay's name. Current and past initiatives include:

- Support of amateur sports programs and facilities, including \$160,000 donated to the Spray Lake Sawmills Family Sports Centre expansion project as a result of the first and second Monumental Tournament of Aces
 - \$67,000 to Arts & Culture Foundation of Cochrane to kick-start performing arts centre building fund – MTA 3
 - Annual Valedictorian scholarships at Cochrane High School, Bow Valley High School and St. Timothy High School
 - Annual Dr. Lindsay Leigh Kimmett Prize in Emergency Medicine at the University of Calgary
 - Covering equipment and registration costs for deserving skaters through the "Lindsay's Kids" minor hockey and ringette sponsorships
 - \$200,000 for The LINDSAY Virtual Human Project at the University of Calgary School of Medicine (MTA 4, KC 3&4)
 - \$90,000 donated to four Cochrane charities and Boma La Mama, Africa
 - \$400,000 raised for Right to Play through Kimmett Cup 5 and Hockey Quest 500
 - \$150,000 for the Mitford Pond Project collaboratively through the foundation, TSN Kraft Celebration, Cochrane Foundation and various levels of government
- Through this foundation we hope to carry on the legacy that Lindsay was destined to leave. We thank you for your compassion, consideration and help.

"There is absolutely no doubt in our minds that Lindsay would have continued to accomplish great things in her life. She was passionate and chose to make every moment count. She wholeheartedly gave her gifts of intelligence and compassion to the world. It didn't matter if you were an orphan in Tanzania, a classmate from the 'U of C, an opposing hockey player, or a rancher from Cochrane - globally, you were treated with respect."
