

The fifth annual Lindsay Leigh Kimmett Memorial Foundation Monumental Tournament of Aces will not be your average fundraising event. Then again, Lindsay was far from average. Prior to her tragic passing on February 17, 2008, Lindsay had established herself as a leader in every sense of the word. She was an amazing individual with boundless energy. Many of her friends have stated that they never realized how busy Linds was – she had time for everyone and everything.

She was very intelligent and excelled throughout grade school, during her undergrad degree of Kinesiology and finally in Medical School. She also had an incredible zest for life. She loved to live, to travel, to party with her multitude of friends, to participate in and coach sports. She found time to volunteer – coaching hockey, working with teens in the PARTY program and was a fundraiser extraordinaire for her sports teams and medical class. Lindsay had great aspirations and would have made a difference in the world.

Now supporters like you are the difference-makers in our quest to fulfill her dreams. Your generous backing of the Lindsay Leigh Kimmett Memorial Foundation allows us to help others achieve their goals. Locally the foundation continues to provide valedictorian scholarships at our 3 high schools. This year 'Lindsay's Kids' has sponsored 16 kids to play hockey by providing registration fees and equipment. Beyond our town, each year a graduating medical student specializing in Emergency Medicine is given a financial award. This tournament has previously supported the expansion of the Spray Lake Sawmills arena, provided start up funds for the Cochrane Arts Foundation proposed performing arts centre, and funding for The LINDSAY Virtual Human Project at the University of Calgary School of Medicine. Today's Tournament "Five for 5" is supporting 4 great Cochrane charities – The Cochrane Activettes who run our local food bank, Cochrane FCSS and Victim Services who support those in need, and The Boys & Girls Club of Cochrane and Area who do great work with our local youth. Our fifth charity is The Boma la Mama Tanzanian Birthing Centre and Midwifery School founded by Lawrence and Leesha (Lindsay's schoolmate) Mafuru from Arusha, Tanzania where Lindsay worked in hospitals and clinics in the summer of 2007. Your help today will save lives (babies and mothers) for years to come in Lindsay's name.

We hope that today has been a Monumental day for you and thank you for your ongoing support. For more information on the Lindsay Leigh Kimmett Memorial Foundation or to join the Friends of Lindsay, please visit www.lindsaykimmett.org
