

Rotary Club of Cochrane

Last Saturday September 29th 170 golfers braved the elements at the Links of Gleneagles and with the amazing contributions of our sponsors and volunteers \$81,000 was raised for community projects; primarily the Variety Club's Cochrane East End Centennial Park redevelopment into a fully accessible area for children of all abilities to enjoy. Funding will also be used by the Lindsay Kimmett Foundation, the Rotary Club of Cochrane and Cochrane Search & Rescue for local initiatives that will benefit Cochrane and area in many ways.
